We offer 3 different service levels to accommodate your invitation budget

Do-It-Yourself

choose from our selection of DIY designs and we will ship the paper, embellishments and glues along with a template for you to print, cut and assemble your design.

Assembly Required

Choose from a wide selection of designs. We will print and cut the invitations and provide you with the glues and embellishments to complete your invitations at home.

Full Service

We will custom design your invitation, print cut and assemble so you can spend time on other aspects of your event.

Please allow 2 to 6 weeks for delivery depending on paper selection and availability of product.
